

## MAY2016 NEWSLETTER – LINOMA TENANTS ASSN.

Welcome BACK to Linoma for 2016 or Welcome to all the new tenants. The lake is up due to all the rain that we have had. It is important that everyone comply with the No Wake Lake of 5 mph as the water is really causing problems for the retaining walls and sand washouts in front of the lake properties.

The boxes are back up so that you can find newsletters and other information about what is happening at the Lake this year.

As a reminder, the board members are listed below and the lots assigned to each member.

- Sam Snyder (Lot 99) – Lots B1 through Lot 27

### **STICKERS:**

If you have not already purchased a sticker for your golf cart or boat, please see Dan Hall or Gayle Townsend immediately as you are late in obtaining. Stickers are \$10.00 each. Every golf cart, boat, canoe, paddle boat, or kayak must have a sticker.

### **PAVILION:**

If you are interested in reserving the pavilion for an event, please see Dan Hall or Gayle Townsend (Co-Chairpersons) who can arrange for the rental. The fee has been increased this year to \$75.00 to help defray the costs. In addition, there will be a refundable deposit of \$150.00 requested which will be returned when the Pavilion has been cleaned and the keys returned.

You are responsible for providing your own supplies if your event is not a campground wide event. The plates, napkins, silverware, etc. are for association sponsored events as the association dues cover the costs of these materials.

### **WHAT'S COMING THIS SEASON:**

*May 29* - Annual Association Meeting in the Pavilion at noon. Let a board member know if there is something particular you would like to see on the agenda. Let your opinions count and show up. We are interested in hearing what you would like to see for events this year.

*June 25*– organizers are working right now to plan a fishing day for the kids at Linoma. Watch for details to follow. If you are interested in having your children participate or volunteering, please contact Terry or Sharon Stone at Lot #36

*July 4* – Looking for volunteers to help plan. A Fireworks display is not planned for this year. The cost has been more than \$5000, and it has been too difficult to get contributions. However, everyone enjoys the Golf Cart Parade and looking for other suggestions.

*End of September*–Haunting at the lake. Colleen and Lisa Kiichler intend to lead this event again this year. Trick or Treating and Trick or Drinking are planned again as well as other events. This event was a good way to wrap up the season and get everyone out and socializing.

2<sup>nd</sup> Annual Wine Tasting – This event was a huge success and Linda and Shelly have already got commitment from James Arthur to return. Watch for this event to be scheduled in coming newsletters.

If you are interested in organizing any other events for the summer for the campground, please let the board know, and we can help coordinate individuals that share your interest.
